

## STONEY TRIBAL ADMINISTRATION

March 13,2020

### A MESSAGE FROM THE STONEY NAKODA FIRST NATION CHIEFS.

As you are aware the World Health Organization has declared the Covid-19 virus, also known as the Coronavirus, a global pandemic. At this time the virus remains a low-level threat to our Nation.

We want to assure all of our Nation Members that we are doing everything possible to protect you. Under our direction we have an Emergency Management Team assembled to effectively manage the response. We are currently utilizing all of our assets to ensure that the Stoney Nakoda Nation is a leader in this massive Canada wide response.

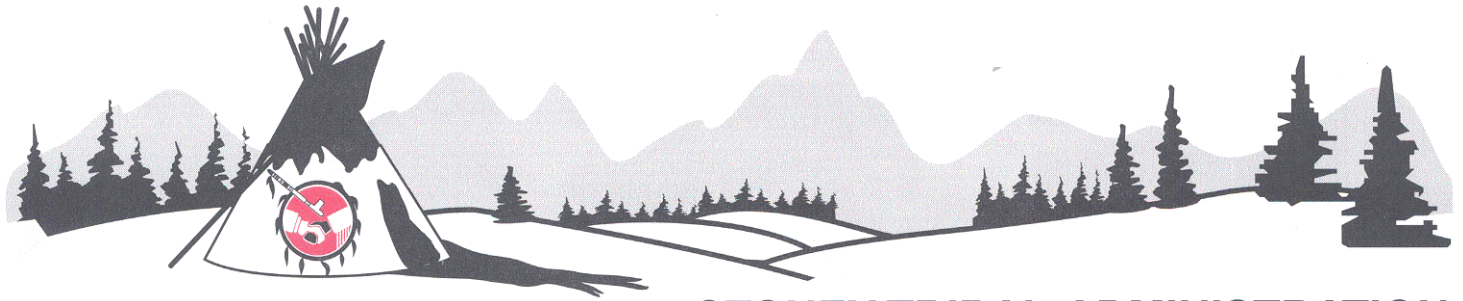

We are working diligently with Local, Provincial and Federal governments as well as various Indigenous levels of government to ensure you receive the highest level of protection.

We ask that all Nation Members cooperate in taking steps to reduce the transmission of communicable diseases such as COVID-19. Nation members are reminded of the following:

- Wash your hands frequently with warm, soapy water for at least 30 seconds.
- Avoid touching your face, nose and mouth with unwashed hands.
- Clean and disinfect surfaces that are frequently touched.
- Stay at home and away from others if you are feeling ill.
- When sick, cover your cough and sneezes and then wash your hands.
- Avoid large social gatherings.

In the upcoming days we will provide you with more communication but be assured that we stand together with one purpose which is to manage and lead during this difficult time.

## STONEY TRIBAL ADMINISTRATION

Isniyes / Thank you,
